

RE-BALANCE

2023 ACHIEVEMENTS

1 **Launched SareeNaSorry Funshops**

This year we launched our SareeNaSorry Funshops! Partnering with Riot Crrrl, The Ledward Centre & Indian Futures! Teaching draping styles and social context of the saree.

Keep an eye out next year for more to come!

2 **Jamdani Mural**

We collaborated with Mez, a local artist known for his graffiti, street art and murals to create a mural inspired by the jamdani. The Jamdani is recognised by UNESCO as intangible cultural heritage and the signature saree of Bangladesh.

3 **Jamdani Stories**

We launched Jamdani stories, inviting friends & experts around the world to share their stories to develop a collection of dynamic perspectives on sarees. The stories are fluid, crossing borders and bridging boundaries to enhance the sense of belonging in the community.
